

PRESTIGE WINE LIST

CELLARING POLICY

Rather than stocking an over-extensive list, we stock those among the most prestigious. In fact, our prestige collection rivals those of other top fine dining establishments, and a great number of our wines are generally unavailable at these establishments. In short, we have deliberately adopted a best of class stocking policy.

Due to space restrictions, we do not carry full cases of our prestige collection on the premises but we regularly replenish our stocks. If due to other patrons' selection a particular wine is unavailable, our sommelier will be at hand to recommend other alternatives.

PRICING POLICY

We believe that wines enhance the taste of our food and add to the occasion. We would like to encourage pairing of our dishes with fine wines by offering wines at modest mark up to retail prices. We are confident that our patrons will be pleasantly surprised with our selection and their prices, which are very much less expensive than those at comparable fine dining establishments.

Prices of some of our prestige collection have gone up since our purchases. There are bargains in this wine list waiting to be discovered. Happy hunting.

(Goods returns or replacement will not be accepted for all wines with selling price over HK\$1,000 per bottle.)

(所有銷售價格超過每瓶 1000 港元之葡萄酒將不被接受退貨或更換)
